

Wings Over Kenya

This exclusive flying safari showcases some of Kenya’s most famous and most diverse wilderness areas, while travelling ‘on the wing’ allows you to optimize every minute of your Kenya stay. Commencing in Amboseli, the Wings Safari offers guaranteed sightings of large herds of elephants against the backdrop of Mount Kilimanjaro. Flying to the far north, there’s the rugged beauty of the arid northern frontier district to be enjoyed. A day later, you fly south-west to the Tanzanian border where the Masai Mara and the Serengeti share the same massive eco-system, which is most famous for the annual migration of the wildebeest. Travelling on light aircraft with personalized meet and greet services throughout, this safari is light on travel-time and long on safari experiences. It also features some of Kenya’s most charmingly luxurious tented camps.

Wildlife Highlights: lion, elephant, buffalo, leopard, cheetah, hippos, crocodiles, wildebeest, zebra, antelope, gazelle, impala, waterbuck, topi, eland, oryx, plains game, giraffe, black and white rhino.

Accommodation: Tortillis Tented Camp, Joy’s Camp and Sand River Mara Camp.

Wings Over Kenya Safari Schedule

Day 1: Nairobi to Amboseli

Fly from Nairobi's private internal airport (Wilson Airport) to Tortillis airstrip in **Amboseli National Park** where you will be met by camp representative. Check into the ultra-luxurious **Tortillis Tented Camp**, which enjoys soaring views of the legendary snows of Kilimanjaro and has its own waterhole, which attracts large amounts of animals, particularly elephant.

After lunch enjoy your first game drive in Amboseli with the chance of spotting large herds of elephant and plentiful plains game against the backdrop of Mount Kilimanjaro. On arrival back in camp, you may like to take a swim or visit the camp's 'Bush Spa'. As the sun sets, enjoy exclusive sundowners overlooking Mount Kilimanjaro, followed by dinner.

Day 2: On safari in Amboseli

Perhaps take an early morning Maasai-guided nature walk before or after breakfast. Alternatively take a morning game-drive in the park, which is an International Biosphere Reserve featuring the dried-out lakebed of prehistoric Lake Amboseli, rolling savannah and lush green swamps. The plains offer numerous antelopes, spotted hyenas, jackals, warthogs, olive baboons, vervet monkeys and the chance of spotting a lion, leopard or cheetah. Observation Hill, a conical peak, which is easily climbed, offers stunning views of Mount Kilimanjaro.

After lunch (which can be taken as a picnic lunch on safari should you prefer), take another game-drive or a guided nature walk – or both – all are inclusive. Alternatively, visit an authentic Maasai village with displays of dance, song and cultural pursuits. Sundowners, which can be taken on safari or in the camp's Rondavel Bar, are followed by dinner.

Day 3: Amboseli to Samburu

After breakfast, fly from Amboseli to Nairobi Wilson Airport and connect with a flight to the **Samburu National Reserve**, where you will be met by camp representative. Take a brief game drive to arrive at **Joy's Camp**, named after Joy Adamson, author of 'Born Free'. An elegant oasis in this wildly beautiful landscape, this exclusive 10-tent luxury camp is built on the site of Joy's own camp, where she raised the leopard 'penny', the heroine of her last book. The camp overlooks a large natural spring, which attracts elephant, lion, buffalo, the rare desert species of Beisa oryx, reticulated giraffe and Grevy's zebra.

After lunch at the camp, enjoy an exclusive game drive in the **Shaba Reserve**. Vast, magnificent and still largely unexplored, Shaba offers an evocative cocktail of uniquely contrasting habitats, veering from stark cliffs and boulder-strewn scarps to lush swamps and muddy sandbanks. It is also famous for its large prides of lion and herds of elephant. Return to camp in time for a swim in the camp's luxury pool or 'sundowner' cocktails, which can either be taken on your private veranda, in the camp's panoramic bar, or in a scenic location in the bush. Return to the camp for dinner.

Day 4: On safari in Samburu

With a whole day in Shaba, your options are wide; the camp offers morning, afternoon and night game drives; guided nature walks and cultural visits. Shaba itself is physically dramatic featuring rocky battlements, dry river beds, extensive thorn shrub and the backdrop of the distant hills of the Northern Frontier District. As for wildlife, the area provides one of the few sanctuaries in Kenya for the endangered Grevy's zebra, the rare Beisa oryx and the blue-shanked Somali ostrich, whilst large herds of elephant roam the hills.

All meals are provided in camp, or you can choose to take a picnic lunch or breakfast. Sundowner cocktails are offered in a scenic 'bush' location, arriving back in camp in time for dinner. Night game drives can be taken after dinner should you wish.

Day 5: Samburu to the Mara

After breakfast transfer to the airstrip for your flight direct to the **Masai Mara National Reserve** where you will be met by your camp representative, who will take you to **Sand River Mara Camp**.

After lunch, either relax, take a guided nature walk, or take a game-drive in this world-famous reserve. Offering an abundance of herbivores, the Mara makes the ideal hunting ground for Kenya's famous 'big cats' and hosts her largest population of lions. It also offers the best chance of spotting a leopard in the wild. Other predators include cheetah and spotted hyena.

Day 6: On safari in the Mara

With a full day in the Mara, your options are wide. Morning and afternoon game drives are offered as are guided nature walks or ornithological tours. Lunch can be taken 'on safari' if you wish, as can sundowners. Dinner is served in camp.

Historically teeming with wildlife, the Mara is famous for the large herds of elephant and buffalo that meander its plains; also for the fat pods of hippo that wallow in its mud-brown rivers. Other stars include the distinctive Masai giraffe, plum-coloured topi, Coke's hartebeest, Grant's and Thomson's gazelle, zebra, impala, Kirk's dik-dik, bushbuck, waterbuck and red duiker. The Reserve also boasts plentiful Nile crocodile, monitor lizard, baboon, vervet, blue and red-tailed monkeys, nocturnal bush babies, and tree hyrax. There are over 550 resident and migratory species of birds.

Day 7: Masai Mara to Nairobi

After breakfast in camp, transfer to the airstrip for your flight back to Nairobi's Wilson Airport, where you will be met and escorted either to a city hotel or direct to the international airport (depending on your flight schedule).

IMPORTANT

Please note that, because this is a flying safari, you are allowed a **maximum baggage** allowance of 15kgs per person (inclusive of hand-luggage). Additional luggage can be left in safe-keeping at African Horizon's Office. Please bring SOFT bags only.
