

## Monk blessing at Ancient Buddhist Pagoda

**Monk blessing:** You will feel very blessed and warm after a quiet Buddhist talk with a well-respected monks here and after the monks blessing. Be very open to Buddhist world and find out how one can learn how to live a peaceful and happy life from this powerful Buddhist way.

Firstly, the monks start chanting harmoniously. Next, the longer ritual that is related to vessels of blessed water will spray over your head while the monks are chanting. At the end of the blessing, the monk will trim your wrist with red ties which means you got the blessing and the red ties is represented as the sacred thing that always stay with you.

Participating in this ritual, you will get to know better about Buddhist culture of how Cambodian do in their society with the belief system. You will also experience in getting sacred Buddhist water blessing to bring you luck.

**It is about 1hours for this activity.**
