DAY 03 MAGELANG (B)

Breakfast at hotel. At the appropriate time, meet and greet by guide for a full day excursion to explore Buddhist temple. Today a visit to Borobudur Temple To visit Borobudur Temple, the massive stone stupa of Borobudur is one the greatest of all ancient architectural monuments. Built with forced labor from the surrounding countryside between about AD 750 and 850, Borobudur predates Angkor Wat in Cambodia by eleven centuries. Though a Buddhist creation, it incorporates Persian, Babylonian and Greek influences.

Continue program for a tour to Desa Candirejo. Enjoy a "dokar" - local horse carriage- ride or a bike ride to explore a small village and its surrounding plantations to witness the local way of life. Observe local home industries: sweet potato crackers making, traditional herbal medicine preparation, bamboo carving. Learn how to play the Javanese Gamelan. Attend and join if you wish a traditional krubosis dance which is easy to learn and very popular with local youngsters. Proceed to hotel in Magelang area for overnight.

**Excursão ao famoso templo Borobudur, seguido de visita a Desa Candirejo, passeio de charrete puxada a cavalo ou de bicicleta para explorar uma pequena aldeia cercada de plantações testemunhando o dia-a-dia local. Industrias locais: biscoitos de batata doce, medicina tradicional de ervas, esculturas de bambu, aprender a jogar o Gamelan, assistir a uma apresentacao da danca tradicional. Regresso ao hotel em Magelang para pernoite.

DAY 04 MAGELANG BLITAR (B)

Breakfast at hotel. Morning drive to Blitar via Solo, Mangkunegaran Palace and local antique market, then continue crossing border between Central and East Java through tea plantations to the city of Blitar. Afternoon arrive in the city of Blitar, then overnight at Tugu Hotel Blitar.

**Café da manha no hotel. De carro a Blitar via Solo, Palacio Mangkunegaran e mercado local de antiguidades, atravessar a fronteira entre Java Central e Java Leste Blitar. cruzando plantações de chá ate

Blitar. Chegada a tarde, pernoite no Tugu Hotel Blitar.

DAY 05 BLITAR-BROMO (B)

Breakfast at hotel, morning visit the most important archaeological remains from the Majapahit period. Candi Penataran, located 10 km north of Blitar on the slopes of Mount Kelud. Candi Penataran is the biggest Hindu temple which occupies a special position among all temples to be found in East Java. Known for ancient literature and inscriptions as Palah, this temple appears to have undergone continuous construction for some two and a half centuries. Its importance can be witnessed further by the regular visits paid to it by King Hayam Wuruk of Majapahit, as mentioned in the Negarakertagama. Even though Penataran dates back to at least the reign of King Airlangga of Kediri at the end of the 12th century, the remains which we see today are almost entirely the work of Majapahit architects and builders. Afterward, drive to Bromo for overnight.

**Café da manhã no hotel. Visita as ruínas arqueológicas mais importantes da época Majapahit. Candi Penataran, a 10 km norte de Blitar no pé do Monte Kelud é o maior templo hindu da área. O Rei Hayam Wuruk de Majapahit aqui visitava frequentemente. Após a visita, seguimos até Bromo para pernoite.

DAY 06 – BROMO (B)

Morning wake up and go to Bromo to watch Sunrise. After this back to hotel and breakfast then continue for short rest before your next trip to Ijen for next accommodation.

Arrived at Ijen in the afternoon for overnight.

**Ver o nascer do sol de Bromo de madrugada, regresso ao hotel para o café, seguindo a Jien para pernoite.

DAY 07 IJEN IJEN CRATER WEST BALI (B)

After breakfast a four wheel drive takes you through rural villages, coffee plantation, giant forest and big trees cover the slope of the mountain. From the Park Ranger's post starts the 90-minute hike to Ijen Crater. The stunning view is unveiled at 2383 meters altitude. The lake eerie color and smoke wafting from bright yellow sulfur deposits create the landscape both desolate, barren and vibrantly alive. Watching miners descending into the crater and re-emerge carrying up to 80 kilos of ore on bamboo basket along the treacherous path. Afterward walk back down the mountain. Return to hotel for a short rest. Then we will go to Ketapang for ferry excursion, arrived at Gilimanuk and then go to Menjangan for next accommodation.

**Após o café da manhã, de jipe pelas aldeias rurais, plantações de café, floresta gigante, árvores grandes cobrem o sopé da montanha. Do Parque iniciaremos uma escalada de 90 minutos a Cratera Jien. Uma vista maravilhosa a 2383m de altura. O lago colorido misturado a fumaça de sulfato amarelo pelos depósitos criados das lavas tornam a paisagem vibrante. Mineiros descendo a cratera trazendo 80kg de minério em cestas de bambu pela estrada traçozeira. Regressando da montanha para o hotel para um pequeno descanso. Seguindo para Ketapang para excursão de barco, chegando em Gilimanuk e de lá para Menjangan para pernoite.

DAY 8 SANUR(B)

At the appropriate time, guide will pick up you at hotel lobby and transfer to visit Taman Ayun, Ulun Danu temple and Tanah Lot sea temple.

Taman Ayun Temple is a Hindu temple and garden complex located in the Mengwi district in the Badung Regency. The historic temple was built at the order of I Gusti Agung Putu in 1634 and served as the Mengwi kingdom's main temple. Visitors can enjoy exploring the various footpaths, shrines and splendid courtyards within the spacious complex which is surrounded by a broad moat. There is also a serene garden area with lush trees and tranquil lotus-blossom filled ponds.

Located in Bedugul, Indonesia, Pura Ulun Danu Bratan is a popular tourist attraction with many different activities. The most popular is visiting Ulun Danu Beratan Temple which is one of nine surrounding Bali Island. It is one of the most important temples for the Balinese, Hindu people. It consists of five compounds of temples and one Buddhist Stupa.

Be ratan Lake is situated within Bedugul. The lake is the second largest in Bali and is located next to two incredible mountain ranges. The lake is perfect for a wide range of water sports. The temple of Pura Ulun Danu is situated at the lake and provides visitors with a sense of authentic history.

This unusual rock formation, home to the exotic temple on the sea, Pura Tanah Lot, is something of a Balinese icon. A shot of this mystical structure at sunset is considered a ‘must-do’ when visiting Bali. Unfortunately, due to its popularity the site has become flooded with vendors and souvenir shops, and it's hard to visit at a time when it's not overrun with other tourists. While non-Balinese are not allowed to enter the temple, you can walk right up to it if you visit at low-tide, or for the full effect of its unique position, visit during high tide and get closer by using the zigzag of walkways.

Transfer to Sanur for overnight.

**Visita a Taman Ayu, ao templo Ulun Danu Beratan em Bedugui, e o templo do mar Tanah Lot considerado um ícone de Bali – proibida a entrada mas pode chegar bem perto visita de preferência durante a maré baixa.

Pura Ulun Danu Bratan é uma atração popular com diversas atividades – a mais popular e a visita ao Templo principal um dos nove cercando a ilha de Bali e um dos templos mais importantes do povo hindu – consiste de 5 templos e uma stupa Budista.

O lago fica em Bedugul, o 2º. Maior de Bali próximo a duas cadeias montanhosas, perfeito para esportes aquáticos. O templo fica no lago dando aos visitantes a sensação de autêntica história.

Esta formação rochosa diferente faz com que o Templo Tanah Lot seja uma visita indispensável, pena que esta cercado de barracas vendendo lembranças.
